Non-Resident Property Owner Application

All information will be maintained in strict compliance with New Jersey State Law.

All fields containing (*) are required fields.

A Non Resident Property Owner is a person whose principal place of residence is NOT a Weehawken address. Non Resident Property Owner Applicants must own property within Weehawken in order to apply for and continue using the permits issued by the Weehawken Parking Authority. A violation of any Weehawken Township parking ordinance may result in the forfeiture of your parking permit privileges. Permits may not be switched to any other vehicle not registered to that permit even if the license plate is being transferred from one vehicle to another.

Please have the following documents when applying for a Non Resident Property Owner permit.

- Valid Driver's License
- Valid Vehicle Registration
- Current Proof of Property Ownership

Non Resident rules would apply to any vehicle not displaying a valid permit. Vehicle must be parked within the immediate vicinity of the owned property. The permit is NOT valid for overnight parking.

In the event that the vehicle for which the applicant is applying for is leased or registered to someone other than the applicant, the applicant will present a copy of the vehicle's lease and/or the insurance declaration page which will contain the applicant's name.

All permits must be renewed annually between May 1 and May 31.
