A Non-Resident Business Employee is a person whose principal place of residence is NOT a Weehawken Address. Non-Resident Business Applicants must be employed in Weehawken in order to obtain and continue the use of a Weehawken "Non-Resident Business Permit". Non-Resident Business Permits are only valid during the hours of operation of the Business and must be parked within the immediate vicinity of his/her place of employment. The "employer" shall furnish on company letterhead, signed by an officer of the company, the name(s) of each non-resident employee applying for a permit. The company must notify the Authority of any Non-Resident employee that is no longer employed with them at which time the permit would no longer be valid. **Permits may not be switched to any other vehicle not registered to that permit even if the license plate is being transferred from one vehicle to another.**
