2025 AUTHORITY BUDGET MESSAGE & ANALYSIS

Weehawken Parking Authority

FISCAL YEAR: January 01, 2025 to December 31, 2025

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2025 proposed Annual Budget and make comparison to the Fiscal Year 2024 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

Pg. F2 - Operating Revenues - Parking Fees - Permits - Total Parking Fees - As post pandemic lifestyle continues to improve, the amount of fees continue to rise as daily commuting slowly reverts to pre-covid status.

Pg. F4 - Operating Appropriations - Administration - Other - Office/Comm/Equip/Lease - Decrease due to reduced use of certain leased equipment.

Printing/Postage/Dues/Subscriptions - Increase due to the need for an updated accounting software subscription (Quickbooks)

Cost of providing services - Personnel - Fringe Benefits) - Increase due to rising cost of health insurance benefits.

Total Principal Payments on Debt in lieu of Depreciation - Total Operating Appropriations - The Authority's debt has been restructured. It's first years' payments have increased but restructuring allows the Authority to take other cost benefits over the life of the debt.

Non-Operating Appropriations - Total Interest on Debt - Total Non-Operating Appropriations - Restructuring of the Authority's debt has resulted in decreased interest payments.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

As is experienced throughout the Country, challenges with work/life balance continue with recurring illness as part of everyday life. The property development within the Township continues to move forward therefore total Parking Fees may increase.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

Answer all questions below using the space provided. Do not attach answers as a separate document.

4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or shared service payments, **pilot** payments, or other types of contracts or agreements. (Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

N/A

5. The proposed budget must not reflect an anticipated deficit from 2024 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

The Authority has entered into a lease with the Weehawken School District providing for the lease of the Woodrow Wilson Building which continues for, at least, the next four years at an amount of \$300,000 annually.

The amount of Parking Taxes and Fees has increased since 2023 and are expected to continue to increase. Reissuance of debt securities has decreased the Authority's liabilities going forward and extending over the life of the debt. While revenue shows signs of growth, costs that are unavoidable are ever increasing. One of those increased costs centers around property insurance that is required to be maintained.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?
